01

We Spot Optimal Territories

We identify high-need areas based on our experience and designate exclusive territories to potential Merchants.

02

Select your Territory

Interested merchants apply for these territories. Store locations must adhere to Ecowater's placement guidelines and be approved by Ecowater.

03

We License your Territory

Approved merchants pay a one-time licensing fee per store. Upon licensing, merchants receive a fully equipped Ecowater Store,

04

Get Certifications

Ecowater provides technical support to help merchants obtain required certifications.

05

Get Needed Supplies

Ecowater offers cards, filters and spare accessories for purchase to merchants, who must maintain a certain minimum balance for each item.

06

We Maintain

Maintenance services are handled by Ecowater-certified technicians or authorized partner companies, with maintenance costs covered by the merchant.

07

We grow together

Merchants pay a Franchise Network Fee based on an agreed percentage of their total water sales every month.
